The Registrar, Chief Constable  
again urges in his letter No. 3583/179,  
D 15-12-03, that the work (viz  
providing <sup>additional</sup> accommodation  
for the Munsiff Court at  
Dodd Ballapur) may be  
directed to be taken in hand  
at an early date as the Dt. Judge  
Bangalore, represents that  
much inconvenience is  
felt by the Munsiff for want  
of sufficient accommodation  
sent to the Chief Engineer  
Submitted.

(D). K. S. G.  
24-12-03

In reply, the Chief Engineer  
states that there is no provision  
for the work of extending the  
Memphis Court at Doddaballur  
in the current year's Budget  
as the item though entered  
in the draft Budget was  
struck off out for want of  
funds; ~~and~~ that no funds  
can be found by re-ap-  
propriation as there are  
none to spare; ~~and~~ that  
it will again be brought for-  
ward in the next year's Budget  
and that should the provision  
be passed by Govt., work will  
be put in hand and carried  
out as soon as possible.

May a copy of this letter be for-  
warded to the Registrar, Chief Commr  
for information?

This may be one; but it  
does not settle the question.  
The Chief Commr have on three different  
occasions brought ~~to the notice~~ ~~the~~ ~~absolute~~ ~~necessity~~ ~~for~~ ~~the~~ ~~work~~  
~~in question~~; and on the first and  
second occasions, the Govt. have replied  
deferring the project to the next following

official years, for want of funds.  
It is not known whether the state  
of the funds during the ensuing year  
will obviate a similar reply being  
given for the third time. The cost  
of the work is approximately  
Rs 3000

I think that some provision  
should be made to have this  
work carried out. It does  
not seem to be much to give  
as a special grant. Consult  
the Comptroller whether so  
much can be expected as  
savings under any <sup>General</sup> head.

This would involve a transfer  
from the fund to the P.W. budget

I saw this building when I  
was at Wadda Ballapur  
the other day. The accommodation  
it contains is wholly insufficient.  
The inconvenience felt, and  
so repeatedly referred upon  
the attention of Govt, in  
1902. On two occasions  
the Govt provided an easy  
remedy & ordered provision to  
be made in the W. N. W.  
Budget. But owing to financial  
~~reasons~~ of pressure, that  
provision had to be  
scored out from the Budget  
first of 1902/03 & then of  
1903/04. No re-appropriation  
or saving, it appeared to  
be possible. Either a small  
grant of Rs 3000 has to be  
sanctioned for the current  
year - and I hesitate to  
recommend this under  
present circumstances -  
or ~~at~~ the inconvenience  
must be put up with for  
a few months more & provision  
not liable to be scored out,  
made in the Budget for 1904/05.
